Once the DT establishes that the DA candidate drives the vehicle safely and has met the requirements to move forward, it is time to progress to Section II: On-Road Skills Assessment. Reasons for not moving forward to Section II should be documented in the Notes section on page 7 of this evaluation form.

**Reminder:** Items notated with an **asterisk (\*)** that are not demonstrated will result in the test ending and an automatic fail. If a DA candidate receives a score of 1 or 2 on an item with an asterisk, they automatically fail and should not progress to On-Road Assessment.

### Section III: On-Road Skills Assessment- Operating the Vehicle in Traffic

Every line item in this section must be graded for the evaluation to be considered complete and valid.

Points	Action Description
<b>1. Vehicle Handling</b>	
	<b>*Secures seat belt correctly prior to starting vehicle's drive system*</b>
	Uses horn properly
	Continually scans steering wheel line of sight in commercial areas
	<b>*Eliminates use of cell phone when vehicle is in motion*</b>
<b>2. Steering</b>	
	<b>*Stays centered in lane of travel*</b>
	Steers smoothly with minimal adjustments

	Total Points

#### Section IV: Electric Vehicle Management (Only if applicable)

Points	Action Description
<b>1. Vehicle Parking</b>	
	Successfully parks within lines of parking spot
	Parks in accordance with the site's charging guidelines ( <i>this may differ from guidelines for regular parking</i> )
	Engages proper parking sequence
	Correctly exits the vehicle using 3 points of contact
<b>2. Vehicle Charging (DT demonstrates charging prior to evaluating DA candidate)</b>	
	<b>Plugs in the charger until it clicks</b>

	Confirms that the chargeport's indicator light has turned green
	Doublechecks that charging has commenced by looking for the green status bar on the EDV dashboard
	<b>Properly unlocks &amp; unplugs charger from vehicle (by utilizing the center display or eject button, whichever is applicable)</b>
<b>Total Points Section IV</b>	
	Total Points

*Total Points*

A Driver candidate must have a total score of **10 or lower** in order to pass. Items notated with an **asterisk (\*)** that are *not demonstrated* will result in an automatic fail.

Please fill out the total points the DA Candidate received in each section below, their total combined score, and whether or not they've passed the Evaluation.

<b>Total Points</b>	
	Section I <i>(if applicable)</i>
	Section II
	Section III
	Section IV <i>(if applicable)</i>
	Total Combined Score
	Based on the above score, does the DA Candidate pass the evaluation? (write Y/N)
	If the DA candidate failed, was it an automatic fail? (Write Y/N)
	If it was an automatic fail, which maneuver was it?

**DT Action Item:** Upload this ERT Evaluation Form ONCE into the correct On the Job Training (OJT) KNET based on training vehicle type used for the road test, and record the DAs score in KNET (True for Pass, False for Fail). Qualifications for the DA will automatically be granted based on the vehicle hierarchy for the fleet types.
